How to Create a Positive Digital Footprint

NEW CANADIANS' CENTRE OF EXCELLENCE INC.
"Home to the World"

Your online identity is shaped by what you post online such as photos, videos, comments. A digital footprint is very hard to erase once it is made. Many employers will do an online search to see what they can find out about you. If they discover things that they consider inappropriate, it may affect your chance of getting a job.

Profile
Only use your first name. Do not give out any personal information

Permission
Make sure you have permission to view and share information online.

Privacy
Keep your passwords and personal details private.

5 P's for a positive Digital Footprint

Protect
Keep evidence and don't bully back. tell an adult.

Positive
